

## European Seminar on ECVET – Outcomes of the Studies “reflector” and “connexion”, Berlin, 30 Nov 2006

Platform I “Qualification and units of learning outcomes: how to identify, to assess and to validate learning outcomes – the impact of training provisions”

Question I. 1: Assessment of learning outcomes defined in units – How could ECVET be used more outcome orientation?

Dr Kari Nyyssölä

## What is outcome orientation?

- Equivalence with the labour market needs
- Quality assurance of VET system
- Outcome oriented VET/Process oriented VET

## Basis for units

- Solid qualification framework
- Qualifications based on the core essence of professions
- Independent units

## Basis for credits

- Flexible transfer system
- Credits based on the outcome
